This is a static show and must be set up before 9:30am and booms and pumps must not be moved until the display is concluded unless authorised by the organising committee.

Each pump should have an informative sign board describing the following:-
Make and Model of Pump, Performance, Unique Features, Photos in Operation etc

Upon arrival you will be directed to a designated area by a CPAA marshal.

It is important the site you are allocated and its surrounds are left clean prior to your departure.

Note to all CPAA members: Please bring along and show your machines as this is not just a show for brand new concrete pumps but for everyday workhorses.

Exhibitors please fax this completed form to (02) 9543 7588
